FokusIsrael.ch is a voluntary, independent group from Switzerland. It is led by Sacha Wigdorovits and other people from the media sector. Sacha Wigdorovits is a former journalist (including USA correspondent for the SonntagsZeitung and editor-in-chief of Blick), co-founder of the commuter newspaper 20minuten and communications consultant.

The aim of FokusIsrael.ch is to provide information about Israel and the Middle East by stating the facts, highlighting connections, providing answers and pointing to relevant articles in Swiss and foreign media as well as on social media.

We fight myths and anti-Semitism with facts

We publish our own content on FokusIsrael.ch, which we supplement with relevant media content. In addition, FokusIsrael.ch comments on posts that are anti-Semitic or defame Israel with untrue allegations in the comment columns and on social media platforms.

For reasons of better readability, we use the generic masculine.
